Tom: A

(forma dos acordes no tom de G)

I will sing forever of your love come down Em
With my hands to heaven shout your praises loud
I was lost in darkness when you pulled me out
I will sing forever of your love come down

I once was blind I could not see
Chains of sin had shackled me
But God in heaven heard my plea

Jesus, Jesus rescued me
Jesus, Jesus rescued me
C G D Em

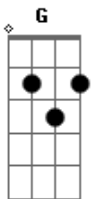

I will sing forever of your love come down
With my hands to heaven shout your praises loud
I was lost in darkness when you pulled me out
I will sing forever of your love come down
(C G D Em C G D G)
Now grace so sweet it floods my soul
And hope eternal wont let go
Me debt erased at Calvary

There's a home beyond the sky
A song we'll sing for all of time
The grave is empty I am free
I will sing forever of your love come down
I will sing forever of your love come down
