                                                                She ought to think twice
                                                                                          she ought to do right by me
                                                                  D
                                                                Before she gets to saying goodbye
   Α
I think I'm gonna be sad
                           I think it's today, yeah
                                                                                                                    F.
