

Nosso Tom - Amar Você

tom:

E

E

Eu acho que parei no tempo

Quando a gente parou

De se ver, de se amar

De insistir de sonhar

Não posso deixar de

Amar você

Enquanto houver inspiração

Enquanto ouvir essa canção

Que eu fiz com a saudade

De amar você

E onde houver um pôr-do-sol

Haverá um clima entre nós

E Am E
Amor, foi lindo o que passou

Foi lindo o que passou

Só espero que o que restou

Seja paz, seja luz

Pra iluminar o caminho

E a traga de volta pra mim

E assim só amar você

Enquanto houver inspiração

Enquanto ouvir essa canção

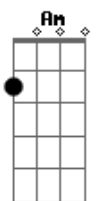

Que eu fiz com a saudade

De amar você

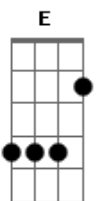

E onde houver um pôr-do-sol

Haverá um clima entre nós
