Gm Bb C
 His space crowds out your space, your space
 Gm Bb C
 Your space crowds out hers
 Gm Bb C
 Coffee breath and headphone hiss
 Gm Bb C
 But no one says a word
 Gm Bb C
 Eyes upon the paper headline
 Gm Bb C
 Refuge in your phone
 Gm Bb C
 Bumping shoulders cough and sniff
 Gm Bb C
 But no one says hello

[Chorus]

Gm Dm
 Woahhh
 C
 Excuse me while I run, I really gotta get out of here
 Gm Dm
 Woahhh
 C
 Excuse me while I run, I really gotta get out of here

[Verse 2]

Gm Bb C
 My heart beats like yours does, hers does,
 Gm Bb C
 Her heart keeps good time
 Gm Bb C
 And everyday I mind the gap between you and me
 Gm Bb C
 Here comes someone else to share the air we breathe

[Chorus 2]

Gm Dm

Woahhh
 C
 Excuse me while I run, I really gotta get out of here
 Gm Dm
 Woahhh

 Reach out for anyone, and they will tell you get out of here
 Gm Dm
 Woahhh

 I'm asking everyone, you've gotta help me get out of here
 Gm Dm
 Woahhh
 C
 Excuse me while I run, I really gotta get out of here

 Meanwhile
 Bb Bb Bb C
 Under the gun
 Bb Bb Gm Gm
 Hey everyone

 Our work here is done

 We out

 Hey everyone
 Bb Bb Gm Gm
 Our work here is done

[Chorus 2]

 Excuse me while I run, I really gotta get out of here
 Gm Dm

 I'm asking everyone, you've gotta help me get out of here
