

# Nothing But Thieves - Impossible

tom:

Intro: F Bb F Bb

F Bb  
 Took a breath, let it go  
 F Bb  
 Felt the moment settle so  
 F Bb  
 I couldn't wait to tell you why  
 F Bb  
 I'm standin' here with this awkward smile  
 F Bb  
 And that's because

F Bb F  
 I could drown myself in someone like you  
 Bb F Bb F  
 I could dive so deep I never come out  
 Bb F Bb F  
 I thought it was impossible  
 Bb F Bb F Bb  
 But you make it possible

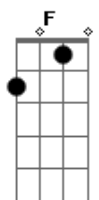

F Bb  
 Love, it stings and then it laughs  
 F Bb  
 At every beat of my battered heart  
 F Bb  
 A sudden jolt, a tender kiss  
 F Bb F  
 I know I'm gonna die of this  
 Bb  
 And that's because

F Bb Dm  
 I could drown myself in someone like you  
 Bb F Bb Dm  
 I could dive so deep I never come out  
 C Bb F Gm  
 I thought it was impossible  
 F Bb F Gm  
 Until you make it possible

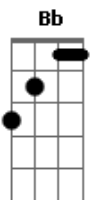

( F Bb F Bb )

F Bb  
 I'll take the smooth with the rough  
 Dm Bb  
 Feels so fucked up to be in love
