                 C
Intro: C  Fm  Am  Fm

C              Fm
Took a breath, let it go
Am             Fm
Felt the moment settle so
  C              Fm
I couldn't wait to tell you why
   Am              Fm
I'm standin' here with this awkward smile
C    Fm          Am
  And that's because

Fm      C         Fm         Am
I could drown myself in someone like you
Fm      C         Fm         Am
I could dive so deep I never come out
  Fm           C      Fm   Am
I thought it was impossible
     Fm        C      Fm   Am  Fm
But you make it possible

C              Fm
Love, it stings and then it laughs
  Am             Fm
At every beat of my battered heart
  C              Fm
The sudden jolt, a tender kiss
  Am             Fm
I know I'm gonna die of this
C    Fm
  And that's because

        C         Fm         Am
I could drown myself in someone like you
Fm      C         Fm         Am
I could dive so deep I never come out
  G           F      C   Dm
I thought it was impossible
     C         F   C   Dm
But you make it possible

( C  Fm  Am  Fm )

     C              Fm
I'll take the smooth with the rough
Am                  Fm
```
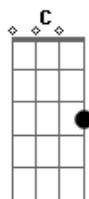

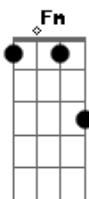

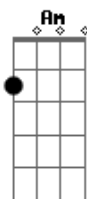

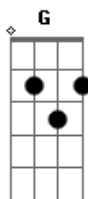

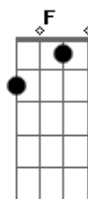

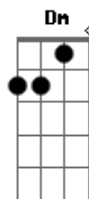

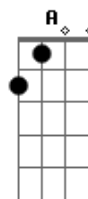

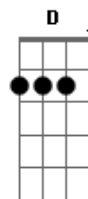

```
Feels so fucked up to be in love
  C           Fm
Another day, another night
Am                    Fm
Stuck in my head but you pull me out
C    Fm    Am
  You pull me out

         C         Fm         Am
I could drown myself in someone like you
Fm      C         Fm         Am
I could dive so deep I never come out
  G           F      C   Dm
I thought it was impossible
        C         F   C   Dm
But you make it possible

G
Somebody told me and I think they're right
                            A
There is a change on its way tonight
                         F
And I feel it's so
                    D
But I fear it though
G
Somebody told me and I think they're right
                            A
There is a change on its way tonight
                         F
And I feel it's so
                D  C
And I feel it so

         C         Fm         Am
I could drown myself in someone like you
Fm      C         Fm         Am
I could dive so deep I never come out
  G           F      C   Dm   C
I thought it was impossible
        C         F   C   Dm
But you make it possible
