

Nothing But Thieves - Last Orders

tom:

We left The Cliff ^{Am}

Wandered down The Broadway to The Elms ^{Em} ^{Gbm}

For another

A fight broke out ^{Am}

Someone took objection to my face ^{Em} ^{Gbm}

With a bottle

I thought I was dreaming but some girls are screaming ^{Am} ^G ^{Gbm}

And my face is streaming blood as well ^{Am} ^{Gbm}

Soon as I had spoken like some demon woken ^{Am} ^G ^{Gbm}

Now my nose is broken, what the hell ^{Am} ^{Gbm}

Take your fight outside ^{Am} ^{Gbm}

That's it for tonight ^{Em} ^C

Take your fight outside ^{Am}

(We don't want any trouble in here) ^{Gbm}

That's it for tonight ^{Em} ^C

The guy was high ^{Am}

Crazy kind of hatred in his eyes ^{Em} ^{Gbm}

Taken over

The cops were called ^{Am}

Someone put some water on my face ^{Em} ^{Gbm}

And I passed out

I thought I was dreaming, there were sirens screaming ^{Am} ^G ^{Gbm}

And my friends were leaving me to die ^{Am} ^G ^{Gbm}

But it wasn't heaven, just ward twenty seven ^{Am} ^{Gbm}

And we'll do it all again tonight

Take your fight outside ^{Am}

(We've got this thing under control) ^{Gbm}

That's it for tonight ^{Em}

(We've got this thing under control) ^C

Take your fight outside ^{Am}

(We don't want any trouble in here) ^{Gbm}

That's it for tonight ^{Em}

(We've got this thing under control) ^C

(^{Am} ^D ^G ^C)

^{Am} (We've got this thing under control) ^{Gbm}
