

# Nothing But Thieves - Last Orders

tom:

We left The Cliff <sup>Am</sup>

Wandered down The Broadway to The Elms <sup>Em</sup> <sup>Gbm</sup>

For another

A fight broke out <sup>Am</sup>

Someone took objection to my face <sup>Em</sup> <sup>Gbm</sup>

With a bottle

I thought I was dreaming but some girls are screaming <sup>Am</sup> <sup>G</sup> <sup>Gbm</sup>

And my face is streaming blood as well <sup>Am</sup> <sup>Gbm</sup>

Soon as I had spoken like some demon woken <sup>Am</sup> <sup>G</sup> <sup>Gbm</sup>

Now my nose is broken, what the hell <sup>Am</sup> <sup>Gbm</sup>

Take your fight outside <sup>Am</sup> <sup>Gbm</sup>

That's it for tonight <sup>Em</sup> <sup>C</sup>

Take your fight outside <sup>Am</sup>

(We don't want any trouble in here) <sup>Gbm</sup>

That's it for tonight <sup>Em</sup> <sup>C</sup>

The guy was high <sup>Am</sup>

Crazy kind of hatred in his eyes <sup>Em</sup> <sup>Gbm</sup>

Taken over

The cops were called <sup>Am</sup>

Someone put some water on my face <sup>Em</sup> <sup>Gbm</sup>

And I passed out

I thought I was dreaming, there were sirens screaming <sup>Am</sup> <sup>G</sup> <sup>Gbm</sup>

And my friends were leaving me to die <sup>Am</sup> <sup>G</sup> <sup>Gbm</sup>

But it wasn't heaven, just ward twenty seven <sup>Am</sup> <sup>Gbm</sup>

And we'll do it all again tonight

Take your fight outside <sup>Am</sup>

(We've got this thing under control) <sup>Gbm</sup>

That's it for tonight <sup>Em</sup>

(We've got this thing under control) <sup>C</sup>

Take your fight outside <sup>Am</sup>

(We don't want any trouble in here) <sup>Gbm</sup>

That's it for tonight <sup>Em</sup>

(We've got this thing under control) <sup>C</sup>

( Am D G C )

(We've got this thing under control) <sup>Am</sup> <sup>Gbm</sup>

Ooh! We've got this thing under control <sup>Em</sup> <sup>C</sup>

Take your fight outside <sup>Am</sup> <sup>Gbm</sup>

That's it for tonight <sup>Em</sup>

(That's it for tonight) <sup>C</sup>

Take your fight outside <sup>Am</sup>

(Don't want any trouble in here) <sup>Gbm</sup>

That's it for tonight <sup>Em</sup>

(That's it for tonight) <sup>C</sup>

Take your fight outside (we've got this thing under control) <sup>Am</sup>

Take your fight outside (that's it for tonight) <sup>Gbm</sup> <sup>Em</sup>

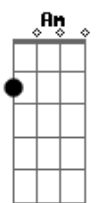

We've got this thing under control (we've got this thing under)

(Take your fight outside) <sup>Am</sup>

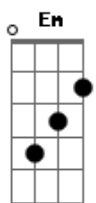

Don't want any trouble in here <sup>Gbm</sup>

( Am Gbm Em )
