

# Nothing But Thieves - Life's Coming In Slow

tom:

Intro: Am C E Am C E

[Primeira Parte]

The sand in the hourglass keeps drippin'

Away

Yeah, you can turn it over, but the feeling

Stays the same

So let's get carried, let's get carried away

Set my mind on fire like metal in a

Microwave

[Refrão]

'Cause life's been comin' in (So slow)

I'm startin' to fade (You know)

Need somethin' tangible (To hold)

Before I slip away

[Segunda Parte]

Graffiti on the overpass says there's no

Escape

This driver job is boring and my

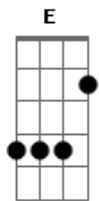

Girlfriend's kinda lame

So let's get carried, let's get carried away

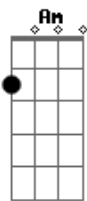

Yeah, give me glam, stomp, heavy metal on a

Radio wave
