

# Nothing More - Go To War

tom:

[Primeira Parte]

I don't know what you had in mind  
But here we stand on opposing sides  
Let's go to war  
Let's go to war

**Gbm**  
We arm ourselves with the wrongs we've done  
**Gbm**  
Name them off one by one  
**Gbm**  
Let's go to war  
**A**  
Let's go to war

**Gbm**  
Everything you say  
**Gbm**  
And everything you do  
**Gbm**  
You push it in and you cut me down  
**Gbm**  
And you cut me down  
(War, war, war)

[Refrão]

**Gbm** **A**  
Screaming at the ones we love  
**Dbm** **Gbm**  
Like we forgot who we can trust  
**A**  
Screaming at the top of our lungs  
**Dbm** **Gbm**  
On the grounds where we feel safe  
**A** **Gbm**  
Do we feel safe? Do we feel safe?

[Segunda Parte]

Hush, my baby, make no sound  
Maybe we can wait each other out  
It's a cold war  
**Gbm** **A**  
Let's go to war

**A**  
With every settled score  
**Gbm** **A**  
I thought that fighting with meant fighting for  
**Gbm** **A**  
But you turned it around  
**Gbm** **A**  
But you turned it around  
(War, war, war)

[Refrão]

**Gbm** **A**  
Screaming at the ones we love  
**Dbm** **Gbm**  
Like we forgot who we can trust  
**A**  
Screaming at the top of our lungs  
**Dbm** **Gbm**  
On the grounds where we feel safe

**Gbm** **A**  
Screaming at the ones we love  
**Dbm** **Gbm**  
Like we forgot who we can trust  
**A**  
Screaming at the top of our lungs  
**Dbm** **Gbm**  
On the grounds where we feel safe  
**A** **Gbm** **A** **Gbm**  
Do we feel safe? Do we feel safe?

[Ponte]

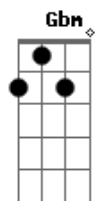

**Dbm**  
Do we censor? Do we flow?  
**A**  
Are we drunk on the chemicals?  
**Bm**  
Every feeling in my bones tells me to lash out  
**A**  
Tell you, fuck off  
**Gbm**  
You got my heart and I've got your soul  
**A**  
But are we better off alone?  
**Bm**  
With every battle we lose a little more  
**Abm**  
Remember everything that we die for  
**Bm** **Dbm** **D**  
You are everything that I die for

[Refrão]

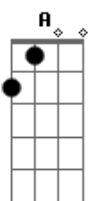

**Gbm** **A**  
Screaming at the ones we love  
**Dbm** **Gbm**  
Like we forgot who we can trust  
**A**  
Screaming at the top of our lungs  
**Dbm** **Gbm**  
On the grounds where we feel safe

**Gbm** **A**  
Screaming at the ones we love  
**Dbm** **Gbm**  
Like we forgot who we can trust  
**A**  
Screaming at the top of our lungs  
**Dbm** **Gbm**  
On the grounds where we feel safe  
**A** **Gbm** **A** **Gbm**  
Do we feel safe? Do we feel safe?
