

Noturnall - The Blame Game

Tom: A

m

Changing me for anyone
 And it turns my inside out
 You play my heart for everyone
 And I just cannot do the same, yeah
 I guess I'm seeing things as I want to see
 You play your game with everyone
 But if you ask me if I love you, I do
 You make me believe I'm the one
 Till the first drop of jack you take
 I guess I should be asking myself
 This part is not for me to play

I know your smile confuses me
 But now is enough

Take me back to my real life
 Take me back before I ever met you
 In this blame game i'm the one to blame
 When you play this game its all about me

Take me back to my real life
 Take me back before I ever met you
 In this blame game i'm the one to blame
 When you play this game its all about me

I'm changing you for someone
