

# Novo Amor - From Gold

Tom: C

I'll hold, so near and cold  
 You've exhumed my love  
 I'm sold, and our story will grow old

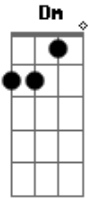

But you'll make dust from gold

( C Dm Am F )  
 And I'll know that your heart was once like mine  
 Watch the flaws unwind  
 And I'll throw my love to the ground  
 And I'll tear you out
