Intro: **Bb F C Dm**  
**Bb F C Dm**

[Primeira Parte]

**Bb F C Dm**  
 All the good words have left my mouth  
**Bb F C Dm**  
 I'm completely out of things to say about it now  
**Bb F C Dm**  
 More and more, I'll catalogue my doubts  
**Bb F C Dm**  
 It's the worst thing about me and it's always around

( **Bb F C Dm** )  
 ( **Bb F C Dm** )

**Bb F C Dm**  
 I made a bet that I'd forget my name  
**Bb F C Dm**  
 By the age of 28, I can barely stay awake  
**Bb F C Dm**  
 'Cause more and more with every accolade  
**Bb F C Dm**  
 I get carried away with being carried away

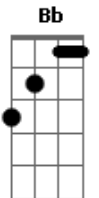

[Refrão]

**Gm7 Bb**  
 I remember Halloween  
**F C Dm**  
 I hit my head on the edge of the sink  
**Gm7 Bb**  
 Dialling out to an older me  
**F C Dm**  
 I miss my friends that I pretend I don't need  
**Gm7 Bb**
