tom:  
 Gm (forma dos acordes no tom de Em )  
 Capostraste na 3ª casa

Hold all in your hold all

Bring your foal  
 Cold shawl, near swallow

Skin and soul

All preying on your old scrawl  
 Of your front crawl, on your bone

Oh, painted on your own wall  
 In an oval, ring your goal

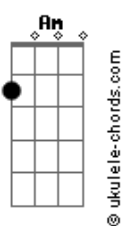

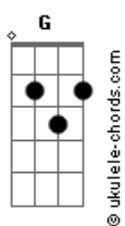

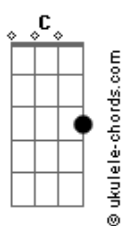

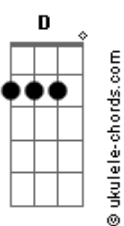

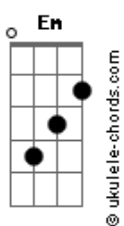

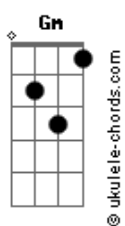

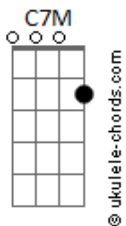

All your love overgrown

All your body undersold

All above, all your waiting coming home

( G Am Em D )

## Acordes

C7M Em  
 Hollow all your arrows

All aglow

Follow, you're Apollo

Us below

All praying in your shallows

I'll hallow

Overflow

Oh, scaling all your shadows

To your marrow

To atone

All your love overgrown

All your body undersold

All above, all your waiting coming home
