

Novo Hinário Adventista - Crescendo Em Graça

tom:

Intro: D D D D

Eu entrego a Jesus meus caprichos pessoais
As vontades tão carnais e sigo em frente

Eu entrego a Jesus a impureza do meu ser
Quero mais do Seu amor quero viver em paz

Vou crescendo em graça crescendo em poder

Vou crescendo em graça movido pela fé

Explodindo de vontade de estar com meu Jesus

Pois já é tarde, o Sol se escond_____de

Logo vem a escura noi_te

E a manhã trará o bri_lho

Da face do meu Senhor

Eu entrego a Jesus toda mágoa que houver
Pra que eu possa perdoar meu semelhante

Eu entrego a Jesus preconceitos que formei
Quero um novo coração quero viver feliz

Vou crescendo em graça crescendo em poder

Vou crescendo em graça movido pela fé

Explodindo de vontade de estar com meu Jesus

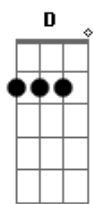

Pois já é tarde, o Sol se escond_____de

Logo vem a escura noi_te

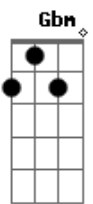

E a manhã trará o bri_lho

Da face do meu Senhor
