

Now United - Crazy Stupid Silly Love

Tom: F

Intro: Bb C Dm Am

Bb

Knock, knock on my door

Work, work me, amor (she's there saying)

Make love, not a war

Ain't that what it's all for?

Yeah, yeah

Walk, walk through the fire

Talk, talk in desire (she's there playing)

Take, taking me higher

So wrong, but it's so right

'Cause it's the best day of my life (of my life)

When I've got you with me by my side (by my side)

I don't wanna waste it, overtime

That's my type

I can't get enough, enough, enough of this

'Cause you've got

Crazy, stupid, silly love

And you got me begging for it

Tuesday night, we're getting lost

Yeah, that's what I want

Makes me light up when we touch

Yeah, you got me acting foolish

Crazy, stupid, silly love

Yeah, that's what I want

(Bb C Dm F)

Bb

Give more than you get

More heart than your head (It's all feeling)

Too good, but it is

Don't say that you're done yet, yeah, yeah

Keep kissing my skin

I'm breathing again

My soul's living

God answered my prayers

How else could you exist?

'Cause it's the best day of my life (of my life)

When I've got you with me by my side (by my side)

I don't wanna waste it, overtime

That's my type

I can't get enough, enough, enough of this

'Cause you've got

Crazy, stupid, silly love

And you got me begging for it

Tuesday night, we're getting lost

Yeah, that's what I want

Makes me light up when we touch

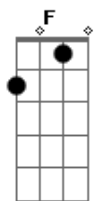

Yeah, you got me acting foolish

Crazy, stupid, silly love

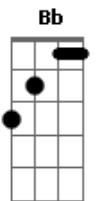

Yeah, that's what I want

(Bb C Dm F)
