

Now United - Legends

tom:

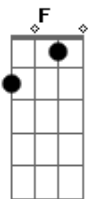

I thought that love was all but a legend
 Didn't know better till I fell on you
 Although I had plenty of pleasure
 Never got jealous till I fell on you (I fell on you)
 Ooh, you got me thinking of slowing down
 I'm so tired of fooling around
 All I wanna do is you, ooh
 Ooh, yeah, it's a new situation
 Every day, celebration
 Goin' all the way up
 Darling, you and I
 Know we got a reputation
 We've got style
 A couple of legends
 You and I
 Overnight sensation
 Side by side
 A couple of legends
 I thought that love was all but a legend
 Kinda like heaven, now I know the truth
 When i'm with you everything's better
 We break all the records, we know what to do
 Ooh, you got me thinking of slowing down
 I'm so tired of fooling around
 All I wanna do is you (all I wanna do is you)
 Ooh, yeah, it's a new situation

Every day, celebration
 Goin' all the way up
 Darling, you and I
 Know we got a reputation
 We've got style
 A couple of legends
 You and I
 Overnight sensation
 Side by side
 A couple of legends
 Couple?, couple of legends (oh, yeah)
 Couple?, couple of legends (oh, yeah)
 A couple of legends (yeah, yeah)
 Darling, you and I
 Know we got a reputation
 We've got style
 (A couple of legends)
 Sing it
 Oh ooh, oh ooh, oh oh
 It's now united
 Oh ooh, oh ooh, oh oh
 Darling, you and I
 Know we got a reputation
 We've got style
 A couple of legends
 You and I
 Overnight sensation
 Side by side
 A couple of legends
