

Now United - Let Me Be The One

tom:

G
Suddenly, I gotta go
C
It tears me apart
F
It's hurting my heart
G
Suddenly, I'm feeling down
C
I swear I'll be back
F
You know I'll be 'round
G
If you're feeling the pain
C
I'm feeling the same
F
I've gotta catch a plane
G
But I'll be back again

C **F**
Oh, oh, love me when I'm gone
G
Let me be your reason
F
Let me be the one
C **F**
Oh, oh, I'll love you all the time
G
Be my one and only
F
Baby, be mine
Hey, yeah
C'mon
G
You'll always be my reason
F

So let me be the one
C
Suddenly, I gotta leave
F
But you are in my heart
G
You gotta believe
C
Suddenly, I can't be near
F
Already missing you
G
You'll always be near
C
If you're feeling the pain (all the pain)
F
I'm feeling the same (the same)
G
I've gotta catch a plane
F
But I'll be back again

C **F**
Oh, oh, oh, love me when I'm gone (when I'm gone)
G
Let me be your reason
F
Let me be the one
C **F**
Oh, oh, oh, I'll love you all the time
G
Be my one and only
F
Baby, be mine
C
Yeah, yeah
F
Yeah, c'mon
G
You'll always be my reason
F
So let me be the one
