

Now United - Let Me Be The One

tom:

G
 Suddenly, I gotta go
C
 It tears me apart
F
 It's hurting my heart
G
 Suddenly, I'm feeling down
C
 I swear I'll be back
F
 You know I'll be 'round
G
 If you're feeling the pain
C
 I'm feeling the same
F
 I've gotta catch a plane
G
 But I'll be back again

C **F**
 Oh, oh, love me when I'm gone
G
 Let me be your reason
F
 Let me be the one
C **F**
 Oh, oh, I'll love you all the time
G
 Be my one and only
F
 Baby, be mine
 Hey, yeah
 C'mon
G
 You'll always be my reason
F

So let me be the one
C
 Suddenly, I gotta leave
F
 But you are in my heart
G
 You gotta believe
C
 Suddenly, I can't be near
F
 Already missing you
G
 You'll always be near
C
 If you're feeling the pain (all the pain)
F
 I'm feeling the same (the same)
G
 I've gotta catch a plane
F
 But I'll be back again
C **F**
 Oh, oh, oh, love me when I'm gone (when I'm gone)
G
 Let me be your reason
F
 Let me be the one
C **F**
 Oh, oh, oh, I'll love you all the time
G
 Be my one and only
F
 Baby, be mine
C
 Yeah, yeah
F
 Yeah, c'mon
G
 You'll always be my reason
F
 So let me be the one
