tom:

C

C Em

Suddenly, I gotta go

It tears me apart

It's hurting my heart

Suddenly, I'm feeling down

I swear I'll be back

You know I'll be 'round

If you're feeling the pain

I'm feeling the same

I've gotta catch a plane

But I'll be back again

F

Oh, oh, oh, love me when I'm gone

Let me be your reason

Let me be the one

Oh, oh, oh, I'll love you all the time

Be my one and only

Baby, be mine

Hey, yeah

C'mon

You'll always be my reason

So let me be the one

C

Yo, oh

Suddenly, I gotta leave

But you are in my heart

You gotta believe

Suddenly, I can't be near

Already missing you

You'll always be near

C

If you're feeling the pain (all the pain)

I'm feeling the same (the same)

I've gotta catch a plane

But I'll be back again

Oh, oh, oh, love me when I'm gone (when I'm gone)

Let me be your reason

Let me be the one

Oh, oh, oh, I'll love you all the time

Be my one and only

Baby, be mine

Yeah, yeah

Yeah, c'mon

You'll always be my reason

So let me be the one

And you love to love, baby

And you love to love so much

Can't believe how lucky I am

But I believe in us

I believe in trust

I believe in love

Oh, oh, oh, love me when I'm gone (when I'm gone)

Let me be your reason

Let me be the one

Oh, oh, oh, I'll love you all the time

Be my one and only

Baby, be mine

Yeah, it's Now United

You'll always be my reason

So let me be the one
