

# Now United - Na Na Na

tom:

G

You got me saying: Oh, na na na, na na na

Can't take my eyes off you, na na na, na na na

Got me acting a fool, na na na, na na na

Oh, baby, baby, you drive me loco

For you, I go loco

Db Gb

Take my heart, keep it with you, yeah, yeah

Flex on me if you want to, yeah, yeah

Db Gb

Every time I see you like that, like that

Makes me keep coming right back, right back

Every guy needs a good girl

Welcome to my world

Db Gb

The way that you look at me, baby

The way that you talk drives me crazy

Can't nobody tell you nothing, no way

You bring out the Sun on a bad day

Db Gb

The way that you look at me, baby

The way that you talk drives me crazy

You got my head up in the clouds

Can't keep my feet on the ground

Db Gb

You got me saying: Oh, na na na, na na na

Can't take my eyes off you, na na na, na na na

Got me acting a fool, na na na, na na na

Oh, baby, baby, you drive me loco

For you, I go loco

Db Gb

All night, all day

I really like the way (baby)

The things you say (oh, oh)

You know you drive me crazy

Every night and day

I really like the way

You drive me crazy

Db Gb

You got me saying: Oh, na na na, na na na

Can't take my eyes off you, na na na, na na na

Got me acting a fool, na na na, na na na

Oh, baby, baby, you drive me loco

For you, I go loco

Db Gb

Got a kiss so sweet (got a kiss so sweet)

Got me slurring my speech (got me slurring my speech)

Got me falling off-beat (off-beat)

Daydreaming, no sleep (can't sleep)

Db Gb

You the kind of vibe I ain't used to

That's right, you're a whole mood

And every little thing about you

Got me feeling like I can't loose (can't loose)

Db Gb

The way that you look at me, baby

The way that you talk drives me crazy

Can't nobody tell you nothing, no way

You bring out the Sun on a bad day
