

Now United - Turn It Up

tom:

Intro: D E Dbm Gbm
Bm E A Gbm

I hope today is a very good day
And every good thing comes your way
'Cause you deserve to feel like this
All the time
So turn on your stereo
And let the music take you whole
There's nothing better in the world
That you'll find

Tonight
Let's celebrate
Let's have a break
Come follow me (one, two, three)

Turn it up, turn it up, turn it up, now
Hit the floor, hit the floor
Hit the floor, now
Pick it up, pick it up, pick it up, now
Drop it low, drop it low, drop it low, now

Easy, easy, easy, easy
Rule the body now do it's easy
Turn it up, turn it up, turn it up, now
Turn it up a little bit mor?

I hope you're dancing in the light
And you'r? holding someone tight (yeah-yeah)
And the rhythm of the night
It's touching you (touching you, touching you)
'Cause no matter where we go (where you go)
You should never feel alone (never feel alone)
So let the beauty of the world

Keep shinning through
(When I see you, when I see you)
(When I see you, baby)

Tonight
Let's celebrate
Let's have a break
Come follow me (one, two, three)
Turn it up, turn it up, turn it up, now

Hit the floor, now
Pick it up, pick it up, pick it up, now
Drop it low, drop it low, drop it low, now

Easy, easy, easy, easy
Rule the body now do it's easy
Turn it up, turn it up, turn it up, now
Turn it up a little bit mor?
