

# Now United - What Are We Waiting For?

Tom: G  
Intro: Em D G C2

(Yeah eee yeeh)

Remember the time on the hood of my car?  
When we kissed looking up at the stars?  
Your smile always give you away  
And your eyes always told me to stay  
You always wanted me around  
But you won't admit that right now  
You know I want you  
I know you shoot me down

What are we waiting for?  
What are we waiting for?  
All of this back and forth  
I don't wanna wait no more  
You know all we have is now  
I know I won't let you down  
What are we waiting for?  
What are we waiting for?

What are we waiting for?  
(Hey to me now)  
(Hey!) what are we waiting for?

Remember the time we made out in the kitchen?  
Baby, it's you and I that I'm missing  
Too many lonely nights and long days  
But my feelings won't seem to fade  
Cause I love to you it means that  
I just want it back again  
I can't forget you  
We ain't finished yet

(Yeah eee yeah)

What are we waiting for?  
(What are we waiting?)  
(Yeah, baby) hey!  
What are we waiting for?

Girl singing

Jump in head first  
We might get hurt  
Our love went away  
Your old t-shirt  
Let's not slow down  
Where we're going now  
We will get there  
We'll be better

Everybody  
(Come on!) oh oh oh oh oh oh-oh-oh  
Oh oh oh oh oh oh-oh (yeah, yeah)  
Oh oh oh oh oh oh-oh-oh oh-oh-oh  
I don't wanna wait no!  
Oh oh oh oh oh oh-oh-oh (what can I do?)  
Oh oh oh oh oh oh-oh (hey, sing with me now)  
Oh oh oh oh oh oh-oh-oh

What are we waiting for?  
(Hey!) what are we waiting, waiting?  
What are we waiting for? (what are we waiting, waiting, waiting for?)  
What are we waiting, waiting?  
(Oh) what are we waiting for?  
(Waiting for)  
Baby, tell me (uh!)  
What can I do?  
What are we waiting for? (clap your hands, come on)  
(No oh ho no no oo oh) what are we waiting for?  
(Hey! Bring it to me now)  
(Yeah ee yeah)  
(What you waitin' for?)  
What are we waiting for?  
(What you waitin' for?)  
(Oooh hoo ohoo oh oh)  
(I got you, baby)  
What are we waiting for? (hey!)
