

# O Cinza - Batista Campos

tom: **Bm**

**Em**  
Ah! Que saudade!

**G**  
Da nossa velha batista campos

**A**  
Há graça na ingenuidade

**Bm**  
Da crença em longos anos

**Em**  
Batista Campos

**G**  
Eu nunca vou esquecer

**A**  
Daquele nosso encanto

**Bm**  
Do nosso medo de crescer

( **Em G A Bm** )  
( **Em G A Bm** )

**Bm**  
Eu sei que a praça mudou

**Gb**  
Mas eu te digo obrigada

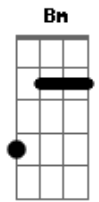

**G**

Pelo dia em que amou  
**A Dbm Gb7**  
Passear ao meu lado  
**Bm**  
Eu sei que a praça mudou  
**Gb**  
Mas eu te digo obrigada  
**G**  
Pelo dia em que amou  
**A Dbm Gb7 B7**  
Passear ao meu lado

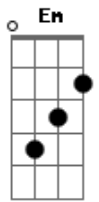

**Em G**  
E quem iria projetar  
**A**  
Que nesse inferno urbano  
**Bm**  
Só há vontade em regressar  
No encanto da Batista Campos  
**Em G**  
E quem diria nessa cidade  
**A**  
E simplesmente numa Praça  
**Bm**  
Toda a nossa enfermidade  
**Em G A Bm**  
Se esvaia como fumaça

( **Em G A Bm** )
