

# O Grito - Café Bong Blues

tom:

Hoje, quando eu acordei  
 Lembrei de um antigo amor  
 Que passa, como tempestade  
 Aí eu me resolvo num café bong blues  
 Nas ruas, há milhões de rostos  
 Que me lembram o seu  
 Mas seus olhos, de cigana  
 E pele de pantera, são milagres de deus  
 Arrefece, todo aquele fogo  
 No peito partido de seu cantor

Que flutua, numa nova órbita  
 Com letreiros escritos café bong Blues

A lua surge, na escuridão  
 E eu amo, eu adoro seu luar

( E A E B7 )  
 ( Dbm Gb7 B7 )

Hoje, quando eu fui dormir

Sonhei com um novo amor

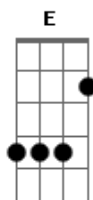

Que chega, como terremoto

E me acorda de volta ao café bong blues

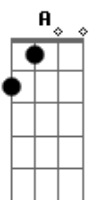

( A C7 B7 )
