

# O Rei Leão - Ciclo Sem Fim

Tom: C

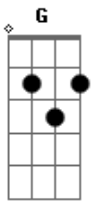

Desde o dia em que ao mundo chegamos  
 Caminhamos ao rumo do Sol  
 Há mais coisas pra ver, mais que a imaginação  
 Muito mais pro tempo permitir  
 E são tantos caminhos pra se seguir  
 E lugares pra se descobrir  
 E o Sol à girar sob o azul deste céu

Nos mantém neste rio à fluir  
 É o ciclo sem fim  
 Que nos guiará  
 À dor e emoção  
 Pela fé e o amor  
 Até encontrar  
 O nosso caminho  
 Neste ciclo, neste ciclo sem fim
