

O Terno - Culpa

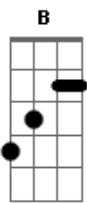

Tom: B

Parece que eu fico o tempo todo culpado
 Com culpa eu não sei do quê
 Quem vai me desculpar se eu não fiz nada de errado?
 Que mais que eu posso fazer?

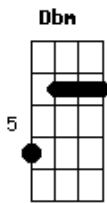

Será que as coisas que eu faço
 Penso que não têm problema
 Na verdade são pecado

E é por isso que eu me sinto tão culpado?
 Ou será que a sociedade diz que é para eu ser contente
 Quando eu fico meio triste
 Ou até meio chateado
 Eu fico mais, pois acho que eu sou o culpado
 Uh uh uh uh culpa
 Ah ah ah culpa
 Ah ah ah culpa
