

# oaf1 - Its Hard

tom:

I can't do this any

[Refrão]

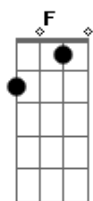

Take everything from me, don't care 'bout this money  
I just need you by me, need you right beside me  
Now we're watching the sunset, my world, it got darker  
My life, is it done yet? Wrap it up like a spider

Girl, I know that it's hard to be with me  
And I've been trying so hard to be what you need

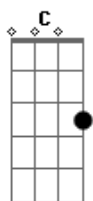

[Verso]

I had to take a walk, I'm nervous, wonder when you're comin' back  
And I can feel the distance growing, was it something that I said?  
You make me feel like I'm important, not just something to forget  
Without you girl my life is boring, hope this moment never ends

Smile, I know that life hurts, but we'll be alright in the end

And baby this cycle: think of you over and over and over and over again

[Ponte]

Girl, you make my head hurt, we should be together  
Do you think of me ever? I wanna show you you're special

[Refrão]

Take everything from me, don't care 'bout this money  
I just need you by me, need you right beside me  
Now we're watching the sunset, my world, it got darker  
My life, is it done yet? Wrap it up like a spider

[Post-Refrão]

Girl, I know that it's hard to be with me  
And I've been trying so hard to be what you need

[Final]
