tom:

D

Bm A G D

(Oh-oh-oh-oh-oh)

Bm A G D

(Oh-oh-oh-oh-oh)

Bm A G D

(Oh-oh-oh-oh-oh)

Bm A

You know that I don't like to say goodbye

G D

I didn't know that we were out of time

Bm A

I'm sorry that I couldn't save your life

G D

So I walk, yeah I walk

Bm A

I go to pick the phone up every day

G D

And imagine conversations we would say

Bm A

But I'm always hanging up the same way

G D

And I walk, yeah I walk

Bm A

In the house where the heart don't cry

G D

Dancin' in a silver lie

Bm A

And I'm dreamin' of you tonight

G D

I miss you all the time

Bm A

All the stars are callin' out your name

G D

Ever since you went away

Bm A

There's no sleepin' you off my mind

G D

I miss you all the time, oh

Bm A
(Oh-oh-oh-oh-oh)

G D
(Oh-oh-oh-oh-oh-oh-oh)

Bm A
(Oh-oh-oh-oh-oh)

G D
Miss you all the time

Bm A

I know that you were only passing through

G D

In a moment you were lighting up the room

Bm A

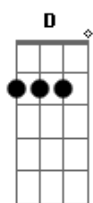

Oh, there'll never be another like you

G D

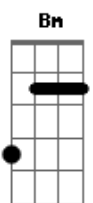

So I walk, then I walk

Bm A
