

# Oasis - Don't Go Away

Tom: C  
Intro: 2x:  
(viradinha)

Verso 1:  
A cold and frosty morning there's not a lot to say  
About the things caught in my mind  
As the day was dawning my plain flew away  
With all the things caught in my mind

Ponte:  
And I don't wanna be there when you're coming down  
And I don't wanna be there when you hit the ground

Refrão:  
So don't go away, say what you say  
But say that you'll stay, forever and a day  
In the time of my life, cause I need more time  
Yes I need more time just to make things right

Verso 2:  
Damn my situation and the games I have to play  
With all the things caught in my mind  
Damn my education I can't find the words to say  
About the things caught in my mind
