

# Oasis - D'you Know What I Mean? (acoustic)

Tom: E

(com acordes na forma de Capotraste na 2ª casa D )

Step off the train all alone at dawn  
 Back into the hole where I was born  
 The sun in the sky never raised an eye to me  
 There's blood on the trax must be mine  
 The fool on the hill and I feel fine  
 Don't look back cos you know what you might see  
  
 Look into the wall of my mind's eye  
 I think I know, but I don't know why  
 The questions are the answers you might need  
 Coming in a mess going out in style  
 I ain't good looking but I'm someone's child  
 No-one can give me the air that's mine to breathe

PONTE:

I met my maker, I made him cry  
 And on my shoulder he asked me why  
 His people won't fly through the storm

I said "Listen up man, they don't even know you're born"

REFRÃO:

All my people right here, right now  
 D'You Know What I Mean? yeah, yeah  
 All my people right here, right now  
 D'You Know What I Mean? yeah, yeah  
 All my people right here, right now  
 D'You Know What I Mean? yeah, yeah  
 Yeah, yeah Yeah, yeah  
  
 I don't really care for what you believe  
 So open up your fist or you won't receive  
 The thoughts and the words of every man you'll need  
 Get up off the floor and believe in life  
 No ones ever gonna ever ask you twice  
 Get on the bus and bring it on home to me
