

Oasis - Eyeball Tickler

Tom: D

(com acordes na forma de Capostrate na 2ª casa (CAPO 2nd FRET) C)

first thing to mention is that the riffs are played in quick succession and it's undoubtedly best if you listen to the song to get the timing down. All chords used in the riffs are given but you're gonna have to put them together yourself (just like i had to). Other than that it's pretty simple and the best b-side by oasis in a long time!
