Intro: G A E | 2x

Verso 1

 G A E
 Yeah i feel like a force of nature
 G A E
 Could make you sing like a bird released
 G A E
 If what you seek is the wise mans treasure
 G A E
 You know it's buried beneath your feet
 G A E
 You know you look like a faded picture
 G A E
 I see the cracks freezing on your skin
 G A E
 And as the world slowly turns it hits ya
 G A E
 That the thieves of the night are coming and take you in
