

Oasis - Hey Now

tom: G

I hitched a ride with my soul

By the side of the road
Just as the sky turned black

I took a walk with my fame

Down memory lane
I never did find my way back

You know that I gotta say time's slipping away

And what will it hold for me

What am I gonna do while I'm looking at you
You're standing ignoring me

[Refrão]

I thought that I heard someone say now

There's no time for running away now
Hey now! Hey now!

Feel no shame - cos time's no chain
Feel no shame

[Segunda Parte]

The first thing I saw

As I walked through the door
Was a sign on the wall that read

It said you might never know

That I want you to know
What is written inside of your head

And time as it stands

Won't be held in my hands
Or living inside of my skin

And as it fell from the sky

Acordes

I asked myself why
Can I never let anyone in ?

[Refrão]

I thought that I heard someone say now

There's no time for running away now
Hey now! Hey now!

Feel no shame - cos time's no chain
Feel no shame

[Terceira Parte]
