

Oasis - Hey Now

tom: G

I hitched a ride with my soul G

By the side of the road
 Just as the sky turned black

I took a walk with my fame G

Down memory lane
 I never did find my way back

You know that I gotta say time's slipping away G

And what will it hold for me

What am I gonna do while I'm looking at you G

You're standing ignoring me Em

[Refrão]

I thought that I heard someone say now Bb A7 Cadd9

There's no time for running away now G Bb

Hey now! Hey now! A7 G

Feel no shame - cos time's no chain Em G Em G

Feel no shame Em G Em D

[Segunda Parte]

The first thing I saw G

As I walked through the door

Was a sign on the wall that read Em

It said you might never know G

That I want you to know

What is written inside of your head Em

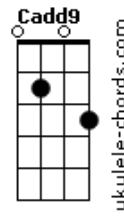

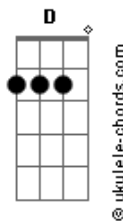

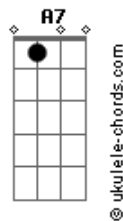

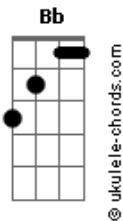

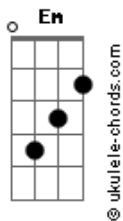

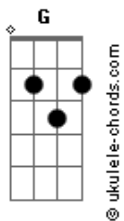

And time as it stands G

Won't be held in my hands

Or living inside of my skin Em

And as it fell from the sky G

Acordes

I asked myself why Em
 Can I never let anyone in ?

[Refrão]

I thought that I heard someone say now Bb A7 Cadd9
