

Oasis - Keep The Dream Alive

Tom: E

Obs.: A letra que está sem cifra é igual a primeira parte, por isso não coloquei as notas.

Intro: B Dbm

B Dbm B
Four Seasons.. seconds flick and flash... I`m alone

Dbm

B Dbm
A lonely scream provides the scene

Gb
It`s no home

E Dbm
Every night I hear you scream,
E A

But you don`t say what you mean

B Dbm B Dbm
This was my dream, but now my dream has flown

I`m at the crossroads waiting for a sign
My life is standing still, but I`m still alive
Every night I think I know
In the morning where did he go
The answers disappear when I open my eyes

B
I`m no stranger to this place

B
Where real life and dreams collide

Dbm
And even though I fall from grace

B
I will keep the dream alive
