CaddG C x2

(liam)

who keeps a hole in the sky so the heavens will cry over me
 who stole the soul from the sun in a world come undone at the seams

let there be love
 let there be love

i hope the weather is calm as you sail up your heavenly stream
 suspended clear in the sky are the words that we sing in our dreams

let there be love x4

Come on baby blue, shake up your tired eyes the world is waiting for you
 may all your dreaming fill the empty skies

but if it makes you happy, keep on clapping,
 just remember I'll be by your side
 and if you won't let go, it's gonna pass you by
