Verse: G,C,D x 4

I know you think you deserve an explanation on the meanings of life

But what you think that you heard slip away at the back of your mind

You get your mucky fingers burned  
 you get your truth from the lies you were learned

and all your plastic belivers said leave us and they won't return

And when you look in that mirror and you're tying up your buttons and bows

And as you face your disease you can squeeze into the emperors clothes

You found your god in a paper bag  
 You get your history from the union jack

And all your brothers and sisters are gone and they won't come back

Say don't you like this city, cause all the phonies are on my mind

when im gone yeah you'll look like you'll miss me,so come along with me

but don't ask why

Cause its all mine, its alright Cause its all mine, its alright

(Harmonica solo)C,D,G,F#,Em,Am,D

Cause its alright, its all mine Cause its alright, its all mine

(G,C,D até o final)
