With Capo

=====

Verse

=====

C B
They took my faith
Am B C
They put it in a headlock and
C B
They sealed my fate
Am B C
Somewhere inside of the world in which they live

Verse 2

=====

Because I failed
They constantly ignore me and
They told me I lost my mind
But I believe that I rule the world

Chorus

=====

Dm G
Singing out my revolution song like nothing else matters
Dm G
You can pitch your gold against my soul but I bet you get shattered
Dm G
There's a million houses in my home
C B
It won't be long

Am F7M
It won't be long
F C B Am (Am) B
Til I solve my mystery

Verse 3

=====

What for me?
What do I believe in? and
The master key
Is somewhere inside of the world in which I live
And what for they?
They will speak for no one and
I may have lost my mind
But I believe that I rule my world

Chorus

=====

Singing out my revolution song like nothing else matters
You can pitch your gold against my soul but I bet you get shattered
There's a million houses in my home
It won't be long
It won't be long
Til I solve my mystery
