

Oasis - Sad Song

tom:

Intro: Am C Am C
Am C Am C

Sing a sad song in a lonely place

And try to put a word in for me

It's been so long since i found a space

You better put in two or three

We as people are just walking round

Our heads are firmly fixed in the ground

What we don't see well it can't be real

What we don't touch we cannot feel

[Refrão]

While we're living

In this town

The sun is coming up and it's going down

But it's all

Just the same

At the end of the day

Well we cheat

And we lie

Nobody says its wrong so we don't ask why

Cause it's all

Just the same

At the end of the day

Throwing it all away

Throwing it all away

Throwing it all away

At the end of the day

If you're needing something i can give

I know i'd help you if i can

If you're honest and you say that you did

You know that i would give you my hand

Or a sad song in a lonely place

I'll try to put a word in for you

Need a shoulder?

Well if that's the case

You know there's nothing i wouldn't do
[Refrão]

While we're living

In this town

The sun is coming up and it's going down

But it's all

Just the same

At the end of the day

Well we cheat

And we lie

Nobody says its wrong so we don't ask why

Cause it's all

Just the same

At the end of the day

Don't throw it all away

Don't throw it all away

Don't throw it all away

Don't throw it all away

(Am C)

Throwing it all away

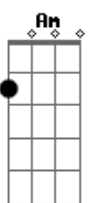

Throwing it all away

You're throwing it all away

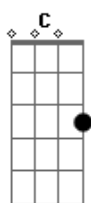

At the end of the day

[Final] Am C Am C
