

# Oasis - Shout It Out Loud

Tom: G

Written By Noel Gallagher

Em D C D C

I hope we have found our sweet release  
I hope I fill that hole in you soul  
I hope that at last we get some peace  
I hope the light shines on we as one

D C

There'll never be enough to learn  
the river's deep and the road is long  
and every which way we turn  
always seems insane  
but it makes me feel alive

Am C G D

Shout it out loud  
when I'm alive

I Shout it out loud  
when I'm alive  
I Shout it out loud  
when I'm alive  
I Shout it out loud

Em D C D C

As we wish the world away  
D'you think it's all a dream  
cos that's what it seems

Every night we hope and pray  
that we can do enough  
to keep our love
