Intro: -----

The following tab is for the intro as well as all the verses in the song.

Use the following chord progression during the verses, even though it won't be written out below.

D B C B C B C B D D B C B C B C B D

What she said, she said to me take me high on a mountain side
She was dressed up in leopard skin
and her soul would never be denied I met

Pre-chorus

A
I met her down the disco in a beat up car

C G C G
She was burning down the road

A
She looked just like a star with a Jaguar

E G
She needs to lighten her load

Chorus

D2 D2 Em C
And when you might think you're gonna cry

D2 Em C
It will be alright step out tonight

D2 Em C
You might think you're gonna cry

D2 Em C
It will be alright step out tonight

Verse 2

What I said I said to her
I'm alive when you walk that way
Can you hear what I can hear?
It's the sound of a brand new day

Pre-chorus

She met me down a disco in a beat up car
I was burning down the road
I can be a star in a Jaguar
I need to lighten my load

Chorus

Because you might think you're gonna cry
It will be alright, step out tonight
You might think you're gonna cry
It will be alright, step out tonight

Bridge

G D
My whole life still sinking in the water
C A
I need a ship not your sweet lip tonight

Solo

Play over chords for one verse, then the chords for the bridge

You might think you're gonna cry
It will be alright, step out tonight
You might think you're gonna cry
It will be alright, step out tonight

Oh yeah, if the chords for the intro/verses sound off, try the following and let me know what you think!
