All the things that we
G
Are wishing away for another day
A7 D
Cos in my soul we know where we're going
A7 Em
We're going where the grass is green, the air is clean
G
And the good times are growing
D E
So take me away
G
Just for today
A A D
Cos I'm sat here on my own
D E
I'd like to be
G
Under the sea
A A D (D A D7 G)
Where they'd probably need a phone
D A
And just when it falls apart
D7
And just when it's time to start
G
Will you sit down here for another day
A7 D
Cos in my soul we know where we're going
A7 Em
We're going where the grass is green, that air is clean
G

And good times are growing

D E
So take me away
G
Just for today
A A D
Cos I'm sat here on my own
D E
I'd like to be
G
Under the sea
A A D
Where they'd probably need a phone
E
I could be you
G
If I wanted to
A A D
But I've never got the time
E
You could be me
G
And pretty soon you will be
A A C D
But you're gonna need a line
C D
Need a line
C D
Need a line
C
Need a line
