Just for today  
A A D  
Cos I'm sat here on my own  
D E  
I'd like to be

Under the sea  
A A D ( D A D7 G )  
Where they'd probably need a phone  
D A  
And just when it falls apart  
D7  
And just when it's time to start  
G  
Will you sit down here for another day  
A7 D  
Cos in my soul we know where we're going  
A7 Em  
We're going where the grass is green, that air is clean  
G

And good times are growing

D E  
So take me away  
G  
Just for today  
A A D  
Cos I'm sat here on my own  
D E  
I'd like to be  
G  
Under the sea  
A A D  
Where they'd probably need a phone  
E  
I could be you  
G  
If I wanted to  
A A D

You could be me

And pretty soon you will be

But you're gonna need a line  
C D  
Need a line

C
