Sittin' on my own  
Chewin' on a bone

A thousand million  
Miles from home  
C G  
When something hit me  
A C  
Somewhere right between the eyes

Em7  
Sleppin' on a plane  
You know you can't complain  
A  
You took your last chance  
Once again  
C G  
I landed, stranded  
A C  
Hardly even knew your name

(Chorus)  
I wanna talk tonight G D2 Em7  
C G D2 Em7  
Until the mornin' light  
C G D2 Em7  
'Bout how you save my life

You and me see how we are  
C A C  
You and me see how we are

Em7  
All your dreams are made  
Of strawberry lemonade

A  
And you make sure  
I eat today

You take me, walking  
A  
To where you played  
C  
When you were young

I'll never say that I  
Won't ever make you cry

And this I'll say  
I don't know why

But I'll be back another day
