

Oasis - Talk Tonight

Tom: G
Intro: Em A C G A C

Em
Sittin' on my own
Chewin' on a bone
A
A thousand million
Miles from home
C G
When something hit me
A C
Somewhere right between the eyes

Em
Sleppin' on a plane
You know you can't complain
A
You took your last chance
Once again
C G
I landed, stranded
A C
Hardly even knew your name

(Chorus)
I wanna talk tonight G D2 Em
Until the mornin' light C G D2 Em
'Bout how you save my life C G D2 Em
You and me see how we are A
You and me see how we are A C

(Intro) Em A C G A C

Em
All your dreams are made
Of strawberry lemonade

A
And you make sure
I eat today
C G
You take me, walking
A
To where you played
C
When you were young
Em
I'll never say that I
Won't ever make you cry
A
And this I'll say
I don't know why
C G
I know I'm leavin'
A C
But I'll be back another day

(Chorus)
I wanna talk tonight G D2 Em
Until the mornin' light C G D2 Em

I wanna talk tonight(I wanna talk tonight) C G D2 Em
