Chorus 1:

Who Will Rise?
 It would be so nice to hear you say,
 "Thank You For The Good Times"
 Before the good times fly a---way.

Versel:

Your eyes are telling lies,
 Your eyes are telling lies,

Some other stories on the way,

It's so nice,
 But don't let the good times fly a---way.

Bridge1:

I drink to every sucker standing here,
 A-mong the few who try to teach the years.
 There's always one of us who's blown a-way,
 Or strapped and stopped for breath along the way.

Chorus 2: Same as Chorus 1
