God it's good, yes it's good, it's good to be free.

Transition chord: G G G G G G G

What would you say if i said to you

It's not the what you say it's the what you do
You point a finger at me but i don't believe
Bring it on down where it was found

Head it's like a rock sitting upside down
In my mind, there is no time...
