

# Oasis - Won't Let You Down

Tom: A

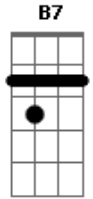

No i won't  
 let you down  
 hate to say you're surrounded by clowns  
 looks to me, they've had their day  
 think its time that you came out and play

what you say, its time that you came out and play  
 won't you say, its time that you came out and play  
 lets get out of our m-i-nds  
 wont waste your t-i-me  
 give it a t-r-y  
 wont waste your t-i-me
