

Oasis - Won't Let You Down

Tom: A

No i won't
 let you down
 hate to say you're surrounded by clowns
 looks to me, they've had their day
 think its time that you came out and play

what you say, its time that you came out and play
 won't you say, its time that you came out and play
 lets get out of our m-i-nds
 wont waste your t-i-me
 give it a t-r-y
 wont waste your t-i-me
